Reference

The proposed road runs in two survey fields of Bellary village and in one field of Kolagal village. The survey particulars of the fields are as follows:-

Name of village.	S.No.	Classification.	Extent. Acrs.	Assessment. Rs.	Remarks
Bellary	640-A	Village site poramboke	520.40	Nil	
Do.	665-A	Assessed waste-dry.	75.00	42-3-0	
Kolagal	605	Government dry	8.20	4-10-0	Ryotwari "patta" registered in the name of Kuruba Jambamma.

As the roadway runs in two big waste blocks, its correct area cannot be ascertained without the road portion being sub divided.

2. The land required for the roadway in Kolagal village is private land and must, therefore, be acquired under the Land Acquisition Act. Except for a small extent of 2 cents, the portion required in S.No. 665-A of Bellary village lies outside the limits of the old Bellary Cantonment and is, therefore, at the disposal of the Local Government.

3. The extent of 2 cents in S.No.665-A and the portions required in S.No.640-A are within the old Cantonment limits and their ownership should be determined under G.O. 2416, Revenue dated 20-8-1914, as interpreted in the Government Memo. No. 3834-A/30 dated 12-11-1930. S.No. 665-A was originally registered as 'vagu poramboke' and was transferred to "Assessed waste Dry" during the resettlement of 1923-24, presumably because it was not required for channel purposes. In accordance with the interpretation in the Government Memo. quoted above, the Board recommends that the portion of this survey field lying within the Cantonment limits may be treated as having been in the usufructuary possession of the Government of India on 1-4-1921 and their claim to ownership allowed. A sketch showing the portion that lies within the old Cantonment limits in this S.No. is submitted. The Collector reports that the Cantonment authorities were using only a few plots here and there in S.No.640-A for parade ground, rifle range, etc. and that the whole field was not in their possession, though it vested in them for administrative purposes. As the land is classified as required for the use of the community -village site poramboke, the Board agrees with the Collector that the portion of it required for the roadway is the property of the Local Government.

at p.4 of Fs. 179 Rev (8) 2.2.26 This Govt. were not consulted as regards the transfer of the land to the Dt. Board. The Board of Rev. has reported that the proposed road runs in two S. Nos. (640 A and 665 A) Bellary village and in S. No. (605) in Kolagallu village. The Board has not reported the area of the roadway as it cannot be ascertained without the road boundaries being subdivided. 2. The question of ownership of lands in dispute with reference to S. As regards the 2 cents of land in this S. Sir,

Transfer - Land - Bellary - Bellary and Kolagallu villages- Roadway- District Board, Bellary- Your letter No.2297/144/Q, dated 6.8.30.

I am directed to say that

16 C

the land the transfer of which to the District Board, Bellary, has been sanctioned by the Govt. of India, Army department, in their letter No.33-Rd.(A.D 4) dated 25.7.1930, consists of part of S.No.605 of Kolagallu village and S.Nos. 665 A and 640 A of Bellary village.

2. S.No. 605 of Kolagallu village is a private holding which is not in the possession of the Government of India, Army Department, and the portion of it, if required by the District Board, will have to be acquired from its owner under the provisions of the Land Acquisition Act.

3. Except for a small extent of 2 cents, the land required for the proposed road in S.No. 665 A of Bellary village lies outside the limits of the old Bellary cantonment and it is therefore at the disposal of the Local Government.

4. An extent of 2 cents in S.No. 665 A and the land required in S.No.640 lie within the limits of the old cantonments. On 1.4.1921 S.No.665 A was re-

gistered

in the Revenue accounts as 'stream poramboke and during the resettlement of 1923-24 it was registered as "assessed waste dry". S.No.640 A is registered as village-site poramboke.

ab pp 5-9 pp (2)

5. In accordance with section II of the minutes of the Conference held at Fort St.George on 5.11.30 (copy enclosed), which have been accepted by the Government of India, lands in cantonmen... which have been classed as "poramboke" (i.e. lands set apart for communal purposes) were not in the usufructuary possession of the Cantonment authority on 1.4.21. It was agreed at the conference that this Government should have the revenue registers specially examined t see whether any land which is now classified as poramboke ought properly to be classified as assessed waste or unassessed waste, and vice versa, and that lists should be drawn up which would be accepted by this Government and the G.O.C. in- Chief, Southern Command or

This Government have called for proposals vide p. 1-3 C in Lambert's
to carry out this examination. The
ownership of poramboke and waste lands
in the Bellary cantonment ~~can~~ cannot finally be determined finally ~~only after~~ until the lists referred to above have been drawn up ~~and~~ ~~this will take some time~~. For the present this Government are of opinion that since S.Nos. 665 A and 640 A were classified as poramboke lands on 1.4.21 the proper authority ~~Yes~~ to whom application should be made for the transfer of the portions of these two fields for the proposed road are the Local Government. I am accordingly ~~directed~~ to request that the Government of India may be moved to cancel their letter No.33.Rd. at p. 3 C
(A.D.4) dated 25.7.30, and direct the Dt. Board to make an application in the matter to this Government. The sketch p. 5 C
received with your letter is herewith returned.
